Checklist for Coverage of Student Learning Outcomes and Corresponding EXL Requirements

Instructions: Review the learning outcomes for each EXL component and place a check (✓) in each student learning outcome covered in each of your EXL courses, the external activity and the MTSU internal service component. This will assist you discerning the learning outcomes in your program and will facilitate your completion of the e-portfolio assignment.

Student Learning Outcomes	Course # 1 _____	Course # 2 _____	Course # 3 _____	Course # 4 _____	Course # 5 _____	Course # 6 _____	External Activity	MTSU Internal Service Component
1. Develop an experience-based knowledge of their disciplines and demonstrate the ability to apply theories and concepts to practical problems.								
2. Engage in systematic reflection and demonstrate the ability to critically examine their experiences and to create connections between those experiences and disciplinary knowledge.								
3. Make contributions to their communities and learn the value of making these contributions (good citizenship); students will develop as individuals including understanding the needs of others, learning cultural awareness, and appreciating the differences in others.								
4. Develop and demonstrate managerial skills including planning, organizing, problem solving, and communicating.								
5. Develop and demonstrate leadership skills including interpersonal skills, ability to direct others, and teamwork.								
6. Develop and demonstrate research skills that will help them be successful in graduate programs.
