

Welcome to Cummings Hall

What is there to do in Cummings Hall?

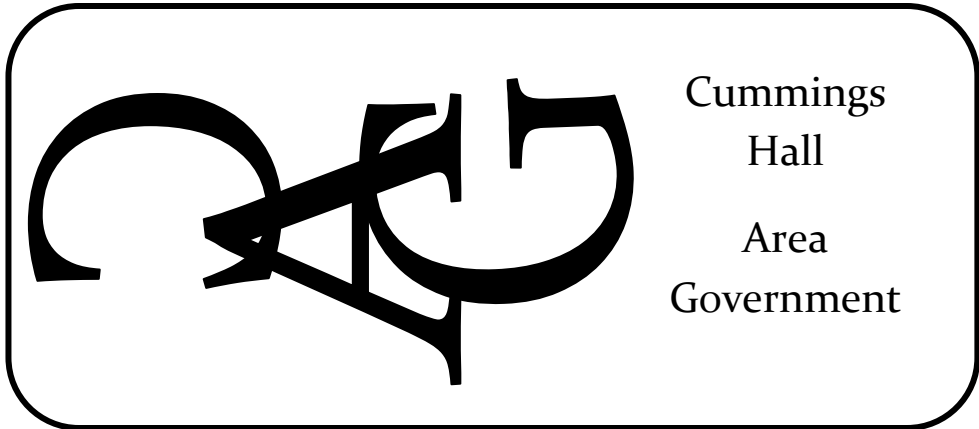

Hello Future Residents,

Housing and Residential Life is very excited to be able to open a renovated Cummings Hall for the 2009-2010 academic year! Brand new spaces have been created within the Residence Hall to make living at MTSU feel more like home. From a new computer lab to class room meeting space in your building, you will feel like Cummings is your "home away from home!" We will even have FREE laundry (almost like your parents are doing your laundry for you!)

I want to be the first to welcome you to Cummings Hall. My name is Melissa Bettis and I am the Area Coordinator for Area 3. I live within the residence hall and have an office in the lobby. My job is to supervise both the Resident Director and Resident Assistants on each floor while also advising our Area Government. My favorite part of my job is being around students. I enjoy getting to know my residents, advising students, and being a resource for each of you.

Get ready for the most exciting time in your life! Opening Day is just around the corner: August 28th will be here before you know it! On behalf of the Housing and Residential Life Staff of Cummings Hall,
Welcome to MTSU!

- Melissa Bettis
