WELCOME TO AREA IV!!!!

Welcome to AREA IV. This is your Area Coordinator, Troy Arrington. I am beginning my 4th year at MTSU and excited to see what this upcoming year has in store for AREA IV.

I am married and the father of a beautiful 14 month old little girl. She will be seen at many of the awesome programs that the area staff will be holding during the course of the year. I enjoy a good laugh, playing golf, and just sitting around chatting..... so find me at the Area Desk in Wood/Felder and say HI.

AREA IV is looking to be busy during this upcoming year. The HOUSING STAFF (RA's, DA's, RD's, etc.) will be promoting campus, area, and hall programs, ranging from hall socials, to exciting MTSU ATHLETIC EVENTS.

Resident Advisors (RA's) are undergraduate students that live on each floor to assist to residents. They will focus on building a fun, safe community that is conducive to studying. We desire for AREA IV to be your HOME AWAY FROM HOME.

Desk Assistants (DA's) are students that sit at the AREA IV desk. This desk is manned 24 hours a day. They complete tasks such as monitoring security cameras and issuing lockout keys should you get locked out. They get paid \$7.35/hour. If interested, please turn in an application at the front desk.

Resident Directors (RD's) are graduate level or upper class students that live and work in the area. They assist the Area Coordinator in the daily operations of the Area.

The Area Coordinator is a full time professional staff that lives and works in the area to assist you the students with any concerns that may arise.

We are excited for you to arrive on AUGUST 28th. Be prepared to have fun and **AMP IT UP IN AREA IV!!!!**
