

DIRECTIONS TO MTSU CENTER FOR ENVIRONMENTAL EDUCATION FAIRVIEW BUILDING

The CEE is located in the Fairview Building (820 Fairview Ave.), which is the old Belle Aire Baptist Church. It is at the extreme NW corner of the MTSU campus. *Unfortunately, there is no sign identifying it as an MTSU building.*

From I-24:

Take Exit 78B. Continue on Old Fort Parkway (Hwy 96E), which becomes Memorial Blvd, for about 3 miles, until you come to the intersection with Clark (there's a BP station and a U-Haul on right).

Turn **right onto Clark** and continue on Clark/Tennessee Blvd to MTSU (stay **right** at intersection of Clark/Tennessee and Hwy 96).

Turn **right onto Greenland Drive** (before you reach Murphy Center).

Go 1.5 blocks, then turn **left into the Fairview Building parking lot.** Go in through side entrance with carport covering.

The CEE office is the first office on the left (Room 103).

If you have trouble finding the Center, please call our office (615.904.8575 or 615.904.8133).
