Electronic Music Courses Completed:

The Society for Electronic Music is in association with Middle Tennessee State University and comprised of students within who all share an interest in the world of digital recording and electronic music production. SEM sponsors many events on campus including demos from industry professionals who showcase new gear, films about the industry and those involved, local performances, and demo critiquing sessions for those that want to get their music heard. Becoming a member allows you to be a part in all of this!

Membership Benefits:

- Voting In all group decisions.
- Post your personal work on our website
- SEM Apparel (when available)
- Networking with other students and industry professionals.

Interests

Tell us why you are interested in this organization and if applicable list some of your achievements and interests as an electronic musician or electronic music enthusiast.

Any additional comments?

Membership Dues:
 A membership fee of **\$10.00** is to be paid at the beginning of each semester. Please bring this money to room 260 in the Mass Communication Building along with this application form.
