

**American Accounting Association
Governmental and Nonprofit Section
Doctoral Dissertation Grants**

The GNP Section sponsors a competitive dissertation grant program to help defray certain costs (up to \$1,500) for individuals conducting dissertation research on governmental and nonprofit topics. An applicant must be a doctoral candidate with a major or emphasis in accounting from any doctoral granting institution in the United States of America or foreign country. Applications must be received by May 1.

The grant application should include:

1. An application letter explaining the nature of the project, current stage of the project, estimated completion date, how the award of a dissertation grant would contribute to the project, the nature of other grants received for the dissertation, and contact information (address, phone and e-mail).
2. A budget detailing the items and amounts for which funding is requested;
3. A copy of the dissertation proposal;
4. A letter from the dissertation chairperson stating the proposal has been defended and accepted, or if not yet defended, that a firm commitment exists to permit the applicant to proceed with the proposed dissertation.

Requested funds may be used to defray or reimburse costs directly related to and necessary for completion of the dissertation. Included among the authorized purposes for grant funding is travel to collect data, purchase of data, and preparation and mailing of questionnaires. With adequate justification other costs essential to completion of the dissertation, such as coding of data and data entry, may also be considered for funding. Funds will not be provided for such costs as tuition and fees, computer use charges, word processing, and printing and binding the dissertation. In addition, grant funds will not be provided for purchase of computer hardware or software.

Send the application letter and attachments to:
