

## Written Report for Research Credit

**IMPORTANT DEADLINE:** Monday, November 26, 2007 is the last day to submit a written report. Type all answers on this form. Do not submit a handwritten report.

You may use the library's e-reserve system to locate written report articles. Go to the library's page at <http://library.mtsu.edu/>. From the "Research Gateway" tab on the upper left side, choose "Find Course Reserves." Three drop-down menus will be on the screen. Choose "Psychology All Instructors 1410" from the instructors list, choose "PSYC:Psychology" from the department list, and choose "1410: All" from the course list. Click the "Search" button. A list of materials will appear. Clicking the number beside an article will bring you to its page. Click the link for "Click here to launch e-reserve" and the article will appear. You will need to type the password "psyc1410" to read the article. If you have a problem, contact Dr. William Langston at 898-5489.

Journal Name

---

Describe the general topic of the research paper (e.g., social psychology, cognition, personality, developmental, clinical disorders....).

Describe the specific hypothesis or question being tested.

If the research was an experiment, what were the independent and dependent variables?  
If the study was correlational, what were the important variables measured?

Briefly describe the method used to test the hypothesis (e.g., who were the subjects, what were they asked to do, how were data collected...).

What did the researcher find? What conclusions can be reached from this research?
